

Hucclecote Model Railway Show at Hucclecote Methodist Church, 11 June 2022

SHOW GUIDE

Welcome to the twelfth model railway show at Hucclecote. We have fifteen layouts plus supporting stands. Proceeds will be divided between the church and local charities. Thank you for your support. We apologise if there are any late changes to the programme for reasons beyond our control.

QUEEN ELIZABETH

Cover Photo: We felt that, in this Jubilee year, we should include a picture of a locomotive named “Queen Elizabeth” – not actually named for our current queen, of course. She had 46201, “Princess Elizabeth” named after her.
